E-class number:	40-21-04-01	Gross weight:	2.25 kg
Customs tariff number:	63079098990002		

DATASHEET

GRYPHON ASCENDER

This ergonomic harness with six attachment points is optimized for rope work and comes with a triangular screw link and the CHEST ASCENDER+ chest ascender - ideal for efficient rope handling
.
The enveloping structure, wide hip belt with breathable padding and pre-shaped shoulder straps offer a high level of comfort during longer hikes. Leg loops with quick-release buckles and pressure relief in the groin, adjustable straps and a sternal EN 361 anchor point facilitate rescue operations. Lateral EN 358 attachment points can be folded inwards when not in use. A dorsal EN-361 attachment point prevents snagging, and there is also a retention point ("R") on the back.

Two eyelets for a positioning seat, an attachment point for the chest ascender, HOOK REST holders, four gear holders, six tool eyelets and four loops for carabiners round off the features. Load capacity up to 140 kg.
