DATASHEET

RESCUE KIT HIGH RACK 1

The RESCUE KIT HIGH RACK 1 is a fully comprehensive set for securing in high-bay warehouses. The ARG 30 has a back and chest eyelet and can be flexibly adjusted to the wearer's body. The 17.5 metre long SAFETY ROPE SK11 can be used in conjunction with the MARK 1 PLUS to rappel down comfortably. The MARK 1 can be comfortably operated with one hand and allows hands-free positioning. The MARK 1 can be attached to the harness with the included screw link. A COLBAG is included in the set so that everything can be stowed away safely.
