DATASHEET

PULLEY KIT 5:1

SET-301-110 PULLEY SET 5:1 (LORY PRO, DOUBLE ROLL 2L, passO-TRI, SUPER STATIC, OVAL LINK 8 VA, ROPE BAG) The PULLEY SET 5:1 is a self-contained, pre-rigged hauling system with controlled descent capability including an auto-lock (progress capture) function during lifting, and an easily operated lowering mechanism with secondary lock (also called Over Lock or Panic Lock function). It can be used for rescue within industries where confined spaces and restricted areas are present and for advanced or special rescue situations. It works as a single line system in an unplanned rescue situation or as part of a twin line rescue system. The system contains a total rope length of 110 m, providing an effective working length of approx. 22 m.
