DATASHEET

IGNITE NEON

The IGNITE NEON combines everything needed for a high-quality rope access harness. It has an integrated chest ascender and its own grey loops for attaching the seat board. The built-in attachment points have the IGNITE series color concept. Bright orange for the attachment points, greys for the positioning and sitting attachment points. The high-quality, padded waist harness can be easily adjusted, as can the flexible leg connections which have high wearing comfort because of the dual adjustment options. Once adjusted, you can depend on it to hold the desired length. Breathable and removable padding as well as stitched belt straps in the shoulder area to prevent heavy sweating or cutting into your neck. - Comfortable harness for rope access applications - Integrated replaceable chest ascender rated to 140 kg - Flexible adjustment options
