Gross weight:	0.15 kg

DATASHEET

LINK 20

This accessory is intended exclusively for use with the EASY ACCESS and EASY SPEED devices and does not constitute personal protective equipment (PPE) when used on its own.

It increases the user's mobility in terms of rope guidance and is equipped with a zippered cover that protects the lanyard from wear and tear while allowing easy visual inspection. The scope of delivery includes two FIX PRO positioning brackets, which effectively prevent twisting of the connecting elements and lateral loads on the secondary axis.

Length: 20 cm (without fasteners)
