DATASHEET

INCEPTOR GRX HIGH VOLTAGE

Designed for working at height under high voltage, the INCEPTOR GRX HIGH VOLTAGE redefines safety. The specially designed EPS core and the helmet shell made of PC/ABS absorb particularly high impact energies. The ergonomic EPS core ensures outstanding wearing comfort. The neck strap allows continuous width adjustment from 54 to 63 cm. The chin strap is equipped with a magnetic closure that is easy to open and close. The gear rack, several helmet clips and Euroslots allow accessories to be attached. All internal padding and the chin strap are replaceable and can be cleaned or replaced.
