Gross weight:	0.14 kg

DATASHEET

SUSPENSION RELIEF STRAPS

The SUSPENSION RELIEF STRAPS are designed to alleviate potentially life-threatening suspension trauma in the event of a fall, making them little lifesavers! Attached to the side of your harness, these unassuming loops give you precious extra minutes in an emergency if help doesn't arrive immediately. The SUSPENSION RELIEF STRAPS never wear out and can be reused after each use. Take them with you every time you use your harness. Better safe than sorry!

FEATURES
