ACTSAFE POWER SUPPLY

The ActSafe ACX POWER SUPPLY EU adds a reliable and continuous power source to the ActSafe Power Ascenders. The power supply system has been specially developed for the ActSafe ACCII and ACX Power Ascenders and is a reliable companion for any type of work. When operating the Power Ascender from a fixed position you can now use the Power Supply as your main power source. It couldn't be more simple: plug in the Power Supply to an AC socket, connect it to the cable to the Power Ascender, and start using your system exactly the way you need it. The ActSafe ACX POWER SUPPLY EU creates new possibilities for working with the Ascender system. It gives you the flexibility, versatility and reliability you need to be efficient and work safely at height. A specific cable is needed for each model of ascender.
