DATASHEET

D-BOLT STAHL/STEEL

GENERAL

Art.Nr:	AP-058
GTIN:	4030281146407
E-class number:	40-02-01-90
Customs tariff number:	73269098

Standards:	ANSI/ASSE Z359.18-2017,CEN/TS 16415:2013,EN 795:2012/A
Net weight:	0.64 kg
Gross weight:	0.79 kg

DATASHEET

D-BOLT STAHL/STEEL

The D-Bolt is intended for use as a single anchor point. The D-Bolt is firmly bonded or screwed into the existing structure. It has been tested in accordance with EN 795/A:2012 and CEN/TS 16415. Since structurally anchored anchor points/devices are no longer covered by the PPE Directive, they may no longer bear the CE mark. In Germany, a building authority approval is required for these products. In Europe, different national regulations apply to these products, so approval may be required on a case-by-case basis. In Germany, please use the version approved by the DIBt: AP-058-DE. This is an anchor point designed to arrest falls. The D-Bolt is powder-coated and thus protected against corrosion.

FEATURES

Colour:	Yellow
Anchor point type:	Stationary anchor point
Type mounting base:	Steel
Mounting type:	Fix anchor, Machine screws
Max. number of persons:	3
Rope access technique:	Yes

DIMENSIONS

Construction height:	80 mm
Foot plate length:	101 mm
Foot plate width:	46 mm
Hole spacing a:	0 mm
Hole spacing b:	0 mm
Diameter pillar:	0 mm
Diameter bore:	16 mm

MATERIAL

Material:	Steel
