DATASHEET

KEY 514

The KEY 514 is a practical carabiner-style key chain made of lightweight aluminum alloy. The integrated wire snap makes it easy to attach keys or small items and quickly remove them again. Its sturdy yet lightweight design makes this keychain a functional companion for everyday use, work, or promotional purposes. This item is sold exclusively in packaging units. One packaging unit contains 25 keychains in various colors.

Warning: The KEY 514 is not personal protective equipment and is not suitable for safety-related applications.

In addition, the KEY 514 is also can be custom engraved <https://www.skylotec.com/eu_en/KEY-514/P-ACS-0930-CUC> and is therefore also suitable for personalization, labeling, or branding.
