AMPURI

AMPURI is an innovative fall arrest and safety harness for professional work at heights, designed to meet the highest standards in the energy, telecommunications, and industrial sectors. Its ergonomic design minimizes back strain and suspension trauma, while lightweight, breathable materials and flexible padding provide maximum comfort even during long work shifts.
Color-coded loops prevent misuse and enhance safety. Compliant with EN 361, EN 358, and EN 813, the AMPURI meets all relevant standards and stands for safety, ergonomics, and efficiency in daily use.
